

Thank you for your consideration of stock donation to support Adult & Teen Challenge North Central Virginia in its mission to give hope within reach of every addict through our various residential and non-residential programs and services!

Advantages of donating stock instead of selling stock then donating cash:

Even though you get a tax deduction for any donation, whether it's cash or stock, donating stock lets you avoid capital gains tax on the appreciated asset while getting credit for the full amount of the donation for your taxes in the year donated. As a public charity, Adult & Teen Challenge North Central Virginia will receive the donation in stock share form, but never pay tax whenever the stock is sold.

Stock Donation Instructions for Adult & Teen Challenge North Central Virginia through TD Ameritrade:

Please note that donations without identification may result in a delayed issuance of a tax-deductible receipt. To identify your donation: ***once the transaction is complete and confirmed***, please notify our office at email@teenchallengeva.org (or call (540) 286-2377) and include donor's name, contact information (email and mailing address for tax receipt purposes), ticker symbol, and number of shares donated. This will help ensure end-of-year giving information needed for your tax purposes is done correctly and in a timely manner.
